Summary of reasons for decision:

The publication is a short film made by older high school students for the Newlands College short film competition; the Noscars 2019. The short films deal with a variety of issues and themes including relationships, death and love. The low level sexual references in this film mean that younger viewers may require parental guidance. The unrestricted classification does not impinge on the right to freedom of expression enshrined in the New Zealand Bill of Rights Act 1990.
